Reviews

Michaela Johnson
★★★★★

After taking salsa lessons for the first time, I was blown away by the instructor's skill and the fun atmosphere. The class was well-organized and the music was perfect. I highly recommend this experience to anyone looking to learn salsa or just have a good time.

Michaela Johnson
★★★★★

I've been taking salsa lessons for a few weeks now and I'm loving it. The instructor is very patient and makes it easy to learn. The class is a great mix of fun and learning. I've already learned a few tricks and I can't wait to show them off.

Michaela Johnson
★★★★★

The salsa class was a fantastic experience. The instructor was very knowledgeable and the class was well-structured. I enjoyed the music and the social atmosphere. I will definitely be taking more lessons in the future.

FAQs

Question 1

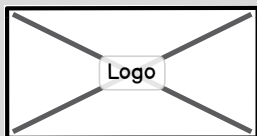

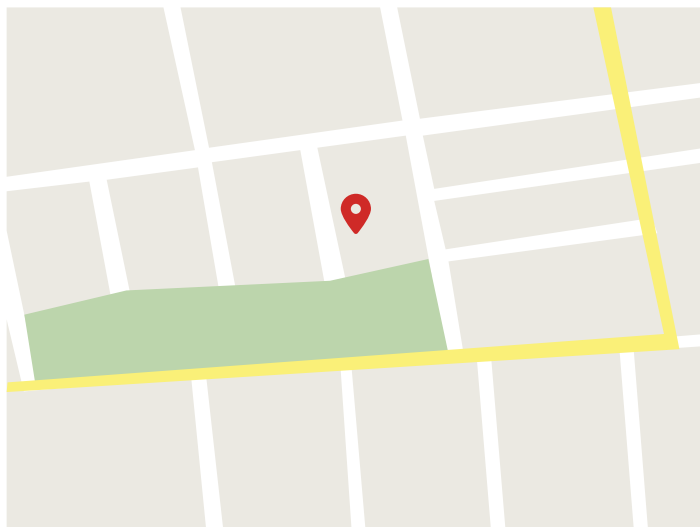

1. What is the difference between salsa and swing? Salsa is a Latin dance style that originated in the Caribbean, while swing is a style that originated in the United States. Salsa is characterized by its fast, rhythmic beats and complex footwork, while swing is more focused on the smooth, flowing movements of the partners. Salsa is often danced in a social setting, while swing is more commonly found in ballroom competitions.
